Jan 7 OR CZARA Update Action Items

Allison will check out setting up a google drive to share comments received on EPA/NOAA proposed decision sent out on December 20th.

Christine will let Allison know whether NOAA should participate on the Jan 23rd meeting with Oregon on OR CZARA/TMDL Litigation once she finds out the agenda and checks with EPA R10's Regional Administrator, Dennis, on who should be attending.

In our response to Oregon's December submittal of the OSDS update, we will include an offer to discuss our comments further via a conference call on this response as well as our response on December 20th on Oregon's new development update.
